

## Beach House Hotel Hermosa Beach

### Why We Like This Place

#### 5 Reasons to book a honeymoon at Beach House Hotel Hermosa Beach:

**1. Warm Southern California weather and the warmth of a fireplace in each suite** add just the right amount of heat for your honeymoon.

**2. Room to relax inside and out, with separate living room and bedroom areas and private balconies** overlooking the Pacific Ocean.

**3. Romantic strolls and bike rides along The Strand,** the 26-mile coastal path that lies between the hotel and the beach.

**4. Restaurants specializing in Cajun, Italian, Mediterranean, Mexican, American, and Japanese cuisine (to name a few) are just a short walk or drive from the Beach House Hotel.** The hotel staff is happy to offer recommendations and assist with reservations.

**5. Happily ever after can start with laughter at the Comedy & Magic Club,** also recommended by the staff at the Beach House Hotel. The food is fabulous and the entertainment isn't too shabby either, with celebrity guests like Jay Leno visiting.
