

# 10 BEST PICKS FOR KIDS SAN FRANCISCO

## GET OUT OF TOWN TO RELAX AT THE BEACH HOUSE

After all the hustling around the city, take a day or two to unwind on the beach at Half Moon Bay. It's less than a 45 minute drive from San Fran but a world away. Check into the Beach House Half Moon Bay where the rooms in the hotel are spacious and cater to families. Let the kids sleep in while you enjoy morning coffee on the deck only steps away from the shore. The healthy complimentary breakfast will fuel you all before heading for the beach to explore the tidal pools.

Right next to the hotel is Sam's Chowder House with a menu that will impress your family. We tried almost everything and loved it all. It's great for lunch before running off to spend the afternoon kayaking or riding a horse through the forest. Grab a table on the patio for a sunset dinner too!
