## FACIALS

### European Facial | Anti-Aging Facial | Vitamin-C Facial

From sun up to sun down, this lightweight, non-greasy standard facial has your skin covered.

60 min/ \$150

### High Frequency Facial

Used by skin care professionals to help treat and prevent stubborn acne and nourish hair follicles for healthier hair growth.

60 min/ \$150

### High Frequency Treatment

Used by skin care professionals to help treat and prevent stubborn acne and nourish hair follicles for healthier hair growth.

30 min/ \$120

### Microdermabrasion Treatment

This treatment is a non-chemical, non-invasive procedure that uses a spray of microcrystals to remove the outermost layer of dry, dead skin cells and reveal younger, healthier-looking skin.

45 min/ \$140

### Illuminating | Acne | Perfection | Signature Peels

This self-neutralizing next generation blend of advanced exfoliating and revitalizing ingredients rejuvenates and repairs moderate to severe acne, aging and pigmentation concerns.

30 min/ \$160
